
Life Worth Living available in Danish language

Posted by cende - 2007/07/12 10:32

Hi to everyone involved,

Just thought you'd like to know that at long last, Life Worth Living will be available, within the next year, in the Danish language, thanks to all your efforts. Publisher Erhvervsskolernes Forlag (visit www.ef.dk) will be translating and providing the book as print on demand until they can anticipate actual sales patterns. My bet is that it will remain a POD product there, but that won't matter as long as it's available to those who want it, right? Right! The agreement with them is that they will make this happen within the next year.

Again, thank you to everyone!

Meredith
