

# The 2018 Eden Alternative International Conference

## POST-CONFERENCE Action Planning Worksheet

---

Choose an idea that you took away from the conference and begin to put it into action. Once you have worked with the first idea, apply the whole process to another idea you took away from the conference.

### Low Hanging Fruit (in the next 3 months)

Your Idea: \_\_\_\_\_

*Questions to consider during your table brainstorm: (capture your notes on backside of page)*

- Why is this idea worthwhile?
- What is your 30-second elevator speech?
- Who do you need to go back and give that speech to?
- What are the barriers to making this happen?

*Take this question back to your organization:*

- What discussion topics that may help engage others in this idea?

## **Not Quite Ripe Fruit (in the next 6 months)**

Your Idea: \_\_\_\_\_

*Questions to consider during your table brainstorm: (capture your notes on backside of page)*

- Why is this idea worthwhile?
- What is your 30-second elevator speech?
- Who do you need to go back and give that speech to?
- How you will keep people engaged in this longer-term goal?
- What are the barriers to making this happen?

*Take this question back to your organization:*

- What discussion topics that may help engage others in this idea?

## **Sweet – But Hard to Reach Fruit (within 1 year)**

Your Idea: \_\_\_\_\_

## **Harvested Fruit (NOW)**

What is Working Well Now? \_\_\_\_\_

*Questions to consider during your table brainstorm: (capture your notes on backside of page)*

- What is your 30-second elevator speech about this success?
- How are you bringing this success to the attention of the team (other employees, family members, Elders) and celebrating it?
- How are you keeping this thing that works well in place?
- Do you anticipate any barriers to keeping it in place?

*Thanks go to Karen Stobbe for developing the concept behind this handout.*
